GENERAL PROVISION

Section 1. Enforcement. The Architectural Committee or any Owner shall have the right to enforce, by any proceeding or law or in equity, all restrictions, conditions, covenants, obligations and reservations, now or hereafter imposed by the provisions of this Declaration. Failure by the Architectural Committee or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. All attorneys' fees shall be the responsibility of the violator of the covenants.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

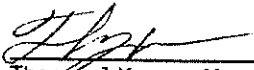

Section 3. Amendment. The covenants herein set forth shall run with the land and bind the present Owner, its successor and assigns, and all parties claiming under it shall be taken to hold, agree and covenant with the Owner of said building sites, its successors and assigns, and with each of them, to conform to said restrictions, but no restrictions herein set forth shall be personally binding on any corporation, person or persons, except in respect to breaches committed during its, his or their holding of any title to said land, and Declarant or the Owner of any of the above land shall have the right to sue for and obtain an injunction to prevent the breach of or to enforce the observance of the restrictions above set forth, in addition to ordinary legal action for damages, and the failure of Declarant and the Owner of any other lots or building sites hereby restricted to enforce any of the restrictions herein set forth at the time of its violation, shall in no event be a waiver of the right to enforce any subsequent violation. Reasonable attorneys' fees shall be recovered as required in any proceeding either to enjoin violation of the declaration of protective covenants or to recover damages resulting from such violation. The violation of these restrictions shall not defeat nor render invalid the lien on any mortgage (or deed of trust) made in good faith and for value.

These covenants may be amended by the Declarant at any time before the Declarant has sold eighty percent of the lots in the subdivision. Once eighty percent of the original lots are sold and conveyed by Declarant, these covenants may be amended or altered upon the approval of eighty percent of the owners of lots in the subdivision.
