The assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

SECTION 2 - PURPOSE OF ASSESSMENTS: The assessments levied by the Association shall be used exclusively to promote health, safety, and welfare of the residents in the properties and for the maintenance, preservation, replacement and operation of the Common Areas, if any and Association costs. The assessments shall be used for maintenance of the roads. The assessments are to promote the value of the lots. The cost for ^{SA, A, C, M, A,} water and road maintenance will be shared equally by all landowners. The assessments shall be kept in an account opened and maintained by the Association. The annual assessment shall initially be set at Six Hundred Dollars (\$600.00) per lot. The Association by motion and vote can change the annual lot assessment as necessary to meet the needs of the subdivision.

SECTION 3 - NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTION 3 AND 4: Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 shall be sent to all members not less than fifteen (15) days nor more than forty-five (45) days in advance of the meeting. A quorum shall be 51% of all members with said percentage to be made up of people attending in person and those voting by proxy.

SECTION 4 - RATE OF ASSESSMENT: Both annual and special assessments must be fixed at uniform rates for all lots not owned by DECLARANTS and may be collected on a monthly basis.

SECTION 5 - DATE OF COMMENCEMENT OF ANNUAL AND SPECIAL ASSESSMENTS DUE DATES: The annual and special assessments provided for herein shall commence as to each lot on the first day of the month following the conveyance of such lot by DECLARANTS. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner. The due dates and collection methods shall be established by the Board of Directors, and, unless otherwise provided, the Association or its assigns shall collect each month from the owner of each lot one-twelfth (1/12) of the annual assessment for such lot. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. Such certificates shall be conclusive evidence of payment of any assessment stated to have been paid.

SECTION 6 - EFFECT OF NONPAYMENT OF ASSESSMENTS - REMEDIES OF THE ASSOCIATION:

a. DELINQUENCY: Any assessment provided for in this Declaration, which is not paid when due, shall be delinquent. With respect to each assessment not paid within fifteen (15) days after its due date, the Association may, at its election, require the owner to pay a "late charge" in a sum to be determined by the Association, but not to exceed \$10.00 per each delinquent assessment, plus interest at the rate of ten percent (10%) per annum on such assessment.

b. CREATION OF LIEN: The amount of all delinquent regular and special assessments plus interest and any expenses reasonably incurred in collecting and/or enforcing such assessments, including reasonable attorney's fees, shall be and become a lien upon the lot so assessed, which shall attach to the lot as of the time the Association caused to be recorded in the office of the County Clerk of Campbell County, Wyoming, a Notice of Assessment Lien, which shall state:

- i. The amount of the delinquent assessment and such related charges as may be authorized by this Declaration;
- ii. The name of the owner of record or reputed owner of the lot;
- iii. A description of the lot against which the lien has been assessed.

The notice shall be signed by two officers of the Association. The assessment lien shall also be deemed to secure all of the foregoing items which shall become due and/or incurred relative to the lot after the recordation of the Notice of Assessment Lien until the completion of the enforcement of the lien or the payment of the full amount secured by the lien, or other satisfaction to be made in connection therewith. No proceeding or action shall be instituted to foreclose the lien until the notice of intention to proceed to foreclose the lien has been delivered by the Association to the owner of the lot affected by the lien at least thirty (30) days prior to the commencement of any such action or proceeding. The assessment lien may be enforced by judicial foreclosure; provided, however, that said method of enforcement shall not be exclusive, but shall be in addition to any other rights or remedies which the owners or the Association may have by law or otherwise. The Association shall also have the right to bid at any such foreclosure sale and to hold, lease, mortgage, and convey such lot upon its purchase. Upon repayment of the full amount secured by an assessment lien, including all authorized charges in accordance with the foregoing, or upon any other satisfaction duly made, the Association shall cause to be recorded a notice setting forth the fact of such payment and/or satisfaction and of the release of the assessment lien. Any assessment lien as to any lot shall at all times be subject and subordinate to any mortgage or deed of trust on the lots which is created in good faith and for value and which is recorded prior to the date of recordation of the assessment lien. In the event any assessment lien is destroyed by reason of the foreclosure of any prior mortgage or deed of trust on a lot, the interest in the lot of the purchaser at the foreclosure sale may be subjected to a lien to secure assessments levied on the lot in the same manner as provided in this Article.

c. CURING THE DEFAULT: Upon the timely curing of the default for which a notice of claims or lien was filed by the Association, the officers of the Association are authorized to file or record, as the case may be, an appropriate release of such notice, upon payment of the defaulting owner, of a fee to be determined by the Association, but not to exceed fifty Dollars (\$50.00) to cover the costs of preparing and filing or recording such release, together with the payment of such other costs, interest or fees as shall have been incurred.

d. CUMULATIVE REMEDIES: The assessment lien and the rights to judicial foreclosure shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have in these covenants and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

e. MORTGAGE PROTECTION CLAUSE: No breach of the covenants, conditions, or restrictions, nor any lien so created, shall defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value, but all of said covenants, conditions, and restrictions shall be binding upon and effective against the owner whose title is deprived through foreclosure of trustee's sale, or otherwise.

SECTION 7 - SUBORDINATION OF THE LIEN TO MORTGAGES: The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. The sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments becoming due or from the lien.

SECTION 8 - INSURANCE ASSESSMENTS: The Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain insurance for the improvements subject to the jurisdiction of the Association, excepting of course, individually owned residences and other structures, against loss or damage by any hazard in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering all Common Areas, if any, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance shall be common expenses.

In the event of damage or destruction by any casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, with concurrence of the mortgagees, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good condition as formerly. That such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a Federal governmental agency, with the provision agreed to by said bank or institution that such funds may be withdrawn only by signature of at least two-thirds (2/3) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors shall advertise for sealed bids with any licensed contractors, and then may negotiate with any contractor who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed improvements. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly, the Board of Directors shall levy a special assessment against all owners in such proportions as the Board of Directors deem fair and equitable in the light of the damage sustained to make up any deficiency. In the event such insurance proceeds exceed the cost of repair and reconstruction, such excess shall be paid over to the owners in such proportions as the Board of Directors deem fair and equitable.

ARTICLE VI

The Board of Directors may in its discretion appoint a Management Committee composed of three (3) or more representatives, one (1) Board member and two (2) consultants to supervise the management of the maintenance, preservation and use of the Common Area and related facilities.

ARTICLE VII GENERAL PROVISIONS

SECTION 1 - ENFORCEMENT: The Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens or charges now or imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction shall in no event be deemed a waiver of the right to do so thereafter.

SECTION 2 - SEVERABILITY: Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any other provisions which shall remain in full force and effect.

SECTION 3 - AMENDMENT: The covenants and restrictions of this Declaration shall run with and bind the land, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.
