**DISCLOSURE STATEMENT
for
Durand Subdivision**

This disclosure statement has been prepared in an effort to provide general information to the Public related to the construction and maintenance of improvements and condition of services that are to be provided within this subdivision. This document shall be recorded at the County Clerk's Office and shall be available upon request to the Public.

Construction, operating and/or maintenance, and financial responsibilities for the following improvements and/or services for this subdivision are described as follows:

1. ROADS

Access is from Duffy Road. There are no new roads constructed within the Subdivision.

2. WATER SUPPLY

Water is supplied by the Wright Water and Sewer District.

3. SEWAGE DISPOSAL

Private Septic installed under DEQ Requirements.

4. RESTRICTIVE COVENANTS

There are Restrictive Covenants on file in the County Clerk's Office in the land records.

5. HOMEOWNERS ASSOCIATION FEES OR IMPROVEMENT AND SERVICE DISTRICT

Prospective property owners should check with the Wright Water and Sewer District on actual fees prior to purchase within this Subdivision.

6. GARBAGE DISPOSAL

Garbage disposal will be the responsibility of the property owner.

7. TELEPHONE SERVICES

Telephone service will be the responsibility of each property owner. Prospective property owners should check with the Telephone Service on the actual construction charges prior to purchase within this Subdivision.

8. CABLE TELEVISION SERVICES

Cable service will be the responsibility of each property owner. Prospective property owners should check with the Cable Television Service on the actual construction charges prior to purchase within this Subdivision.

9. ROAD AND TRAFFIC CONTROL SIGNS

All road and traffic control signs will be the responsibility of the individual landowners.

10. STREET LIGHTING

Any outside lighting/street lighting will be the responsibility of individual landowners.

11. CULVERTS AND DRAINAGE

Culverts to be used in the County Road right-of-way should have approval of County Engineer. Per Campbell County Subdivision Regulations, Section 10, (a) (XI), culverts shall be a minimum of 18 inches in diameter. Individual property owners will be responsible for installation and maintenance of access improvements.

12. ZONING

Prior to purchase, prospective buyers should contact the Campbell County Building Department to verify permitted use of the lot they intend to purchase and the permitted uses of lots and land surrounding their proposed lot.

13. FIRE PROTECTION

Fire protection is provided by the Campbell County Fire Department. The fire department requires that the street address of each property in this subdivision be prominently displayed at the individual approaches to the roadway. Response time for fires within the subdivision is estimated to be 10 (ten) minutes.

14. BUILDING CODES

Builders are required to meet the Plumbing, Electrical, Septic, Building and Fire Codes adopted by the County. Permits are available at the Office of the Building and Planning Department.

15. ELECTRICITY

Electricity for this subdivision area is served by Powder River Energy Corporation. Electrical service shall be installed to each lot line. Prospective lot owners should check with Powder River Energy Corporation on construction charges within the lot line prior to purchase within this subdivision.

16. POSTAL SERVICE

Postal Service is available upon petition to the Post Office by the individual property owners.

17. MINERAL RIGHTS

Fee Interest in mineral ownership is not held as part of the surface ownership. New surface owners should be aware that upon purchase of any land there are existing surface use agreements which may result in the drilling and production of oil and gas upon said land.
