The assessment lien may be enforced by judicial foreclosure; provided, however, that said method of enforcement shall not be exclusive but shall be in addition to any other rights or remedies which the owners or the Association may have by law or otherwise. The Association shall also have the right to bid at any such foreclosure sale and to hold, lease, mortgage and convey such lot upon its purchase. Upon payment of the full amount secured by an assessment lien, including all authorized charges in accordance with the foregoing, or upon any other satisfaction duly made in connection therewith, the Association shall cause to be recorded a notice setting forth the fact of such payment and/or satisfaction and of the release of the assessment lien. Any assessment lien as to any lot shall at all times be subject and subordinate to any mortgage or deed of trust on the lot which is created in good faith and for value and which is recorded prior to the date of recordation of the assessment lien. In the event any assessment lien is

destroyed by reason of the foreclosure of any prior mortgage or deed of trust on a lot, the interest in the lot of the purchase at the foreclosure sale may be subjected to a lien to secure assessments levied on the lot in the same manner as provided above in this Article.

c. CURING OF DEFAULT: Upon the timely curing of any default for which a notice of claims or lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment of the defaulting owner, of a fee to be determined by the Association but not to exceed Fifteen Dollars (\$15.00) to cover the cost of preparing and filing or recording such release, together with the payment of such other costs, interest or fees as shall have been incurred.

d. CUMULATIVE REMEDIES: The assessment lien and the rights to judicial foreclosure thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

e. MORTGAGE PROTECTION CLAUSE: No breach of the covenants, conditions or restrictions herein contained, nor any lien created hereby, shall defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any OWNER whose title is deprived through foreclosure or trustee's sale, or otherwise.

Section 10. SUBORDINATION OF THE LIEN TO MORTGAGES:

The lien of the assessments provided for herein shall be subordination to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof

shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. NOTIFICATION AND RIGHTS OF THE HOLDER OF A MORTGAGE: (a) Upon receipt of written notification to the Association of the existence of a mortgage on any lot by the holder thereof, the Association shall notify such holder of a mortgage, at the last known address of the holder, of any default by the owner of such lot in the performance of the owner's obligations hereunder which is not cured within thirty (30) days.

(b) In addition to any other requirements imposed by this Declaration of Covenants unless all holders of mortgage liens on individual units have given their prior written approval, the association shall not be entitled to:

(1) Change the pro rated interest or obligations of any unit for purposes of levying assessments and charges and determining shares of the common elements and proceeds of the project;

(2) partition or subdivide any unit or the common elements of the project.

ARTICLE VII

Any manager, agent or employee selected prior to the first annual election shall be employed to manage or work only until the first annual election, after initial organization, at which time the continuance of the same or the selection of a new manager or agent shall be determined by the Board of Directors elected at the first annual election. All contracts of the Association shall be limited in duration for a period of not more than one (1) year unless they contain reasonable cancellation provisions or have been approved by a vote of a majority of each class of Members of the Association.

4. In addition to the duties and powers enumerated in its Articles of Incorporation and By-Laws, or elsewhere provided for herein, and without limiting and generality thereof, the Association shall:

(b) Maintain the roofs of dwellings and garages situated on the lots, including any necessary replacement or repair thereof.

(c) Repaint the exterior surfaces of dwellings, garages and fencing situated on the lots and Common Area, as such repainting is required in order to preserve the attractiveness of the properties. Such exterior maintenance shall not include glass surfaces.

(d) Keep and maintain adequate fire and public liability insurance on all improvements located within the Common Area.

(e) Have the authority to obtain, for the benefit of all of the Common Areas, water, gas and electric service

(g) Pay the taxes and assessments which are or could become a lien on the Common Area or some portion thereof.

(h) Maintain and keep in force a policy of comprehensive public liability insurance insuring the Association against any liability arising out of the ownership, use, occupancy or maintenance of the Common Area and exterior of the properties.

5. The Association shall adopt reasonable rules relating to the use of the Common Area and any improvements thereon. A copy of such rules and of all amendments thereto shall be mailed to each owner of a lot, and a copy shall be posted in one or more places on the Common Area where the same may be conveniently inspected.

6. The Association may do any and all other acts and things that a nonprofit corporation is empowered to do, which may be necessary, convenient or desirable in the administration of its affairs for the specific and primary purposes and meet its duties as herein set forth.

7. The Association, through its Board of Directors shall have the authority to delegate its powers to committees, officers of the Association or its employees.

ARTICLE VIII

TITLE TO COMMON AREA

The Declarant hereby covenants for itself, its heirs and assigns, that it will convey fee simple title to the Common Area to the Association, free and clear of all encumbrances and liens, except for the lien of this Declaration, prior to the conveyance of the first lot in the properties.

ARTICLE IX

EASEMENTS

1. This Declaration of Covenants, Conditions and Restrictions shall be subject to all easements heretofore or hereafter granted by the Declarant or its successors and assigns for the installation and maintenance of utilities and drainage facilities that are reasonably necessary to the development of the properties provided that no easement may be granted by Declaration on, upon, in, or under any lot.

2. Easements through the properties for installation and maintenance of utilities and drainage facilities are reserved as shown on the Tract map of the properties. Within these easements no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of these facilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements.

3. Easements over lots that are required in order that the Association may carry out its duties and powers as set forth in Article VII hereof are reserved by Declarant, its successors and assigns for the benefit of the Association.

4. The rights and duties of the owners of the lots within the properties with respect to sanitary sewer and water, electricity, gas and telephone and CATV lines and drainage facilities shall be governed by the following:

(a) Wherever sanitary sewer house connections and/or water house connections or electricity, gas or telephone and CATV lines or drainage facilities are installed within the properties, which connections serve more than one lot, the owner of each lot served by said connection shall be entitled to the full use and enjoyment of such portions of said connections as service his lot.

5. Each lot and its owner within the properties is hereby declared to have an easement of one foot in width and the same is hereby granted by Declarant, over all adjoining lots and Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the building, or any other cause. There shall be easements for the maintenance of said encroachment, settling or shifting; provided, however, that in no event shall an easement for encroachment be created in favor of an owner or owners if said encroachment occurred due to willful misconduct of said owner or owners. In the event a structure on any lot is partially or totally destroyed, and then repaired or rebuilt, the owners of each lot agree that minor encroachments over adjoining lots shall be permitted and there shall be easements for the maintenance of said encroachments so long as they shall exist. In addition, each lot within the properties is hereby declared to have an easement for overhanging roofs and eaves as originally constructed over each adjoining lot and/or the Common Area and for the maintenance thereof. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to the lot being serviced and shall pass with each conveyance of said lot.

6. Each lot and its owner within the properties is hereby declared to have an easement and right of ingress and egress over the adjoining lot for the purpose of providing access to the mailbox in the event that the mailbox for any particular lot is located on the adjoining lot. This easement of ingress and egress shall not be exercised so as to unreasonably interfere with the adjoining lot owners in the use of his lot.

7. Declarant hereby grants to the Association for the benefit of its Members, a non-exclusive easement for landscaping and general recreational purposes over the lots. Such easement shall be located over those portions of lots

which are located between the lot lines and the exterior of the foundation walls for the structures as originally constructed on each of the lots by Declarant. Such easement shall also include that portion of each lot which is located between the Common Area and the rear fence line as originally constructed by Declarant on each lot. The allowable uses for the property subject to the foregoing easement are restricted to landscaping (flowers, plants, lawns, surface paving, sprinklers), private streets and walkways and uses associated therewith, drainage and use as a general residential, recreational and garden area. It shall be the responsibility of the Association to maintain the property subject to the foregoing easement. There shall be excepted from this grant of easement that portion of each lot which lies within the enclosed private patios and entry areas of each of the lots as originally constructed by Declarant.

ARTICLE X

PARTY WALLS

Section 1. GENERAL RULES OF LAW TO APPLY: Each wall which is built as a part of the original construction of the homes upon the properties and placed on the dividing line between the lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. DESTRUCTION BY FIRE OR OTHER CASUALTY: If a party wall is destroyed or damaged by fire or other casualty, an owner who has used the wall may restore it and if the other owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.
