Notwithstanding any other provisions of this Declaration, the rights reserved to the Declarant in this Section 6.1 shall survive any conveyance or transfer of the Declarant rights to the Association or to any other transferee or assignee.

6.2 Electric Power Easement. The recorded plat of Garner Lake Village Phase I grants certain easements to the City of Gillette across the lots, for purposes of underground electric cables, ducts, conduits, surface or below-ground mounted transformers and pedestals, concrete pads and other facilities for distributing and transmitting electricity, and the right to remove trees and landscaping which may interfere with the exercise of such easement rights.
