Such nominations may be made from among members or non-members.
- C. Elections- Election to the Board of Directors shall be by secret written ballot. At such election the members or their written proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of Section 16B above. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.
- D. Duties- The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each lot for each assessment period, and shall at that time, prepare a roster of the properties and assessments applicable thereto and keep a book of account showing receipts and disbursements which shall be kept in the office of the Association and shall be open to inspection by any Owner at reasonable times. 19. Enforcement: The Association shall have the sole and exclusive right and authority to determine compliance with the Covenants contained herein and to allocate and assess the costs for the improvement, maintenance and repair of all roadways. Upon the violation of any Covenant, or upon the failure to pay any assessment, written notice of such violation or failure shall be directed to the violator, who shall have ten (10) days after receipt of the said notice to correct the violation or pay the assessment due. In the event suit is required to collect any sums due, or to enjoin the violation of any of the covenants contained herein, violator, in addition to any of

the other penalties provided herein or which may be assessed by a court, shall be liable for all attorneys fees and court costs incurred by the Association.

- 20. **Severability:** Invalidation of any one of these Covenants by judgment or court order shall in no way affect any of the other provisions which, thus, shall remain in full force and effect.
