1981, by K & K Properties, a Montana partnership, hereinafter referred  
to as "Declarant".

1. Whereas the declarant is the owner of certain property situ-  
ated in the City of Gillette, County of Campbell, State of Wyoming, more  
particularly described in Exhibit "A" which is attached hereto and  
incorporated herein by reference.

2. Whereas declarant has divided Lot 22 with improvements  
located thereon into two (2) separate parcels, each containing one  
dwelling unit to be designated as Lots 22A & 22B, Block 26, 4J  
Subdivision, Phase 3, Gillette, Campbell County, Wyoming.

3. Whereas, declarant desires to convey Lots 22A & 22B, Block  
26 as separate units with a dwelling unit thereon and connected by a  
party wall, with a dwelling on the adjoining parcel of the original lot.

4. Whereas, declarant is conveying the lots subject to certain  
protective covenants, conditions, restrictions, reservations, and ease-  
ments as hereinafter set forth; therefore declarant hereby declares that  
all of Lots 22A & 22B as described above shall be held, sold, and  
conveyed subject to the following covenants, conditions, restrictions,  
reservations, and easements. The covenants, conditions, restrictions,  
reservations, and easements shall run with the above described real  
property and shall be binding upon and inure to the benefit of all  
parties having any right, title or interest in the above described  
properties and their heirs, personal representatives, administrators,  
successors, and assigns.

SECTION ONE

PARTY WALL

1. The East wall of the building located  
on Lot 22A and the West wall of the building located  
on Lot 22B form a common wall and the boundary between Lots 22A and  
22B. This wall shall be a party wall and the parties shall have

the right to use it jointly. It is intended that the owner of each lot shall own his dwelling unit to the center of the party wall separating his unit from the other. In addition, each owner shall have a cross-easement as to the remaining one-half portion of the party wall separating his unit from the other. If it becomes necessary or desirable to repair or rebuild the whole, or any part of the wall, the repairing or rebuilding expense shall be shared equally by the two owners. The costs of repairs and maintenance of the finished surfaces of the party wall which are located within a dwelling unit shall be the sole expense of the owner of that dwelling unit.

2. If the party wall or any portion thereof is damaged or destroyed by any willful or negligent act or omission of one of the record owners, that owner shall rebuild the wall at his own expense and shall compensate the other owner for any damage suffered by that owner. Owners shall be responsible for all acts or omissions of the occupants of their particular lot which may affect the owner of the adjoining lot.

3. It is assumed by the declarant that the party wall lies along the lot lines as shown on Exhibit "A". Should the party wall either not be constructed directly on the dividing line between the two lots or should it shift in any way due to natural forces during its existence, the owner whose townhouse either encroaches upon the lot owned by the other owner shall have an easement as to such encroachment. There is no warranty that the center line of the party wall lies precisely on the dividing line between the lots, and all purchasers of each lot accept the party wall "as is" and shall not hold the declarant liable for encroachments or discrepancies in the boundary lines.

4. The party wall shall be maintained and kept in repair at all times by and at the joint cost of the adjoining owners.

#### ARTICLE TWO

#### RESTRICTIONS

1. Each owner shall maintain his property in a manner such that it will not create a nuisance for the adjoining owner or any other person occupying the other unit. In that regard, all rubbish, trash, or garbage shall be regularly removed from each lot by the appropriate owner or occupants at their own expense. The yard and surrounding

landscape of each unit shall be neatly and regularly maintained, including the removal of accumulated snow and ice from sidewalks and walkways.

2. All utilities, fixtures and equipment installed within the unit commencing at a point where the utility lines, wires, conduits, or systems enter the exterior walls of a unit shall be maintained and kept in repair by the owner thereof.

3. Mechanics or materialmens liens shall apply only to the particular lot upon which benefit was conferred by the labor or material. In any event, the owner or occupants incurring the mechanics or materialmens lien shall save and hold harmless the owner of the adjoining lot from any liability costs or expenses resulting from the lien.

4. In the event of destruction of an adjoining dwelling unit or any portion thereof, each unit so destroyed shall be repaired or rebuilt at the expense of the owner of the individual unit and finished as close to the original as possible.

5. The structural exterior of each unit shall not be changed or altered in any manner without the consent of the adjoining unit owner. The exterior of the adjoining unit shall be decorated with a uniform color or colors to be agreed upon in writing by the adjoining unit owners.

6. The enclosing of any lot by a fence wall or other physical barrier is permissible. The physical barrier shall not extend across the dividing line as shown on Exhibit "A" between the two lots.

### ARTICLE THREE

#### CROSS-EASEMENT FOR UTILITIES

1. There is hereby created a blanket cross-easement upon, across, over, and under Lots 22A & 22B and the improvements situated thereon in favor of the owner of each of the lots, for ingress, egress, installation, replacing, repairing, and maintaining all utilities, and for lateral and subjacent support of each unit. It shall be expressly permissible for the companies providing utility services to erect and maintain the necessary equipment on the lots and to affix and maintain pipes, wires, circuits and conduits on, above, across and under the roof and exterior walls of any unit to serve an adjoining unit. Any damages to another owner or occupant pursuant to the exercise of this easement

shall be repaired by the owner exercising the rights pursuant to this easement.

ARTICLE FOUR

REMEDY FOR NONPAYMENT OF JOINT EXPENSES

1. In the event any joint expense or any individual expense incurred by or required to be paid by an owner as provided by the foregoing articles is not paid by that owner within five (5) days after notice of the debt, the amount may be paid by the adjoining unit owner and shall, upon proper recordation with the Clerk and Ex-officio Register of Campbell County, Wyoming, become a lien upon the nonpaying owner's lot and unit, and shall continue to be such a lien until fully paid.

ARTICLE FIVE

1. This declaration shall be perpetual and the covenants herein contained shall run with each lot. The declaration may only be amended by writing signed by the then record owners of the two lots.

2. Invalidation of any one of these terms and provisions by judgment or court order shall not affect any other term or provision. They shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned being the declarant herein, has herein set his hand and seal the date and year first above written.

11. Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat.

Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of water through drainage channels in the easements. The easement

area of each lot and all improvements in it shall be maintained continuously by the Owner of the lot, except for those improvements for which a public authority or utility company is responsible.

12. Temporary structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.
