Payments shall commence on the first day of the month next following completion of construction of the member's living unit and shall be made on the first day of each month thereafter. If after any month's payment the total amount in the Maintenance Fund exceeds the sum of \$10,000.00, no further payments shall be assessed until the moneys in such Fund are reduced to an amount of less than \$9,000.00. At such time a \$15.00 monthly charge will again be assessed against each member owning a living unit in the same manner as hereinabove stated until the Maintenance Fund exceeds the sum of \$10,000.00. The charge provided for herein will be delinquent when not paid within 10 days after it becomes due.

Section 3. The Maintenance Fund shall be used for the purpose of maintaining roads, open space, water wells, parks or other like facilities or services of every kind and nature required or desired within the subdivision for the general use and benefit of all lot owners.

Section 4. The Association shall have a lien on all the lots of members required to pay maintenance charges pursuant to this Article to secure the payment of such maintenance charges due and to become due, and the record owners of such lots shall be personally liable for all maintenance charges.

The Association may, in its discretion subordinate in writing, for limited periods of time, the liens of the Association against any lot or lots for the benefit or better security of a mortgage.

Section 5. If the Association shall fail to maintain a common facility in a reasonable order and condition, the Board of County Commissioners shall serve written notice upon the Association or upon the residents of the subdivision involved setting forth the manner in which the Association has failed to maintain the facility in a reasonable condition and said notice shall include a demand

that such deficiencies of maintenance be corrected within thirty (30) days thereof, and shall state the date and place of a hearing thereon, which shall be held within fourteen (14) days of the notice. At such hearing, the County may modify the terms of its original notice as to the deficiencies, and may give an extension of time within which they shall be corrected. If the deficiencies set forth in the original notice or in the modifications thereof are not corrected within said thirty (30) days or any extension thereof, the County, in order to preserve the taxable values of the property contained within the subdivision, and to prevent the common facilities from becoming a public nuisance and public liability, may undertake to maintain the same for a period of one (1) year. Before the expiration of said year, the County, upon its initiative or upon the written request of the Association, shall call a public hearing upon notice to the Association and to the residents of the subdivision involved, to be held by the Board of County Commissioners, at which hearing the Association or the residents of the subdivision shall show cause why such maintenance by the County shall not, at the election of the County, continue for a succeeding year. If the Board of County Commissioners shall determine that the Association is ready and able to maintain said common facility in a reasonable condition, the County shall cease to maintain said common facility at the end of said year.

The cost of such maintenance by the County shall be paid by the owners of the properties within the subdivision that have a right to enjoyment or use of the common facility involved and any unpaid assessments shall become a tax lien upon said properties. The County shall file a notice of such lien in the office of the County Clerk upon the property affected by such lien within the subdivision, and shall certify such unpaid assessments to the County Treasurer for collection, enforcement and remittance of general property taxes in the manner provided by law.

ARTICLE VIII

MANAGEMENT

Jimmy L. Anderson is hereby designated the manager and operator of said Association and shall undertake all development and extension of said Association until the next annual meeting.

ARTICLE IX
